

## Integration Adapters

... integrates booted compute nodes into existing PBS Server

Torque Adapter  
Grid Engine

...

## Requirement Adapters

... supplies information about needed compute nodes, e.g. PBS queue size

Torque Adapter  
Grid Engine

...

## ROCED Core

### Broker

... decides which machines to boot or shutdown

## Site Adapters

... boot machines on various Cloud Computing sites

Amazon EC2  
Eucalyptus  
OpenNebula

...
